

Who are we

The Reiki Association of Australia Inc. is an organization that embraces the fundamental teachings of The Usui System of Natural Healing, but recognizes the many incarnate forms of Reiki in today's society.

Our Intention

To build an association that is based on warmth and friendship, one that is open to sharing, discovering, learning, supporting and encouraging Reiki practitioners to spread Reiki throughout the community and beyond.

Our Values

The Reiki Association of Australia Inc. values the traditional teachings of Reiki..

The Reiki Association of Australia Inc. values integrity and high quality in the teachings and standards of practice..

The Reiki Association of Australia Inc. values and supports the proposal of Reiki being recognized as a professional healing modality.

The Reiki Association of Australia Inc. values equality and believes in the philosophy that we are all equals and masters of our own destiny.

The Reiki Association of Australia Inc. values self development and sees the practice of Reiki on oneself and others as an act of service. For it is through the vibration of love that we are powerful, we can create, we can manifest and most importantly we are free to know ourselves.
